

Fan-Fold Display

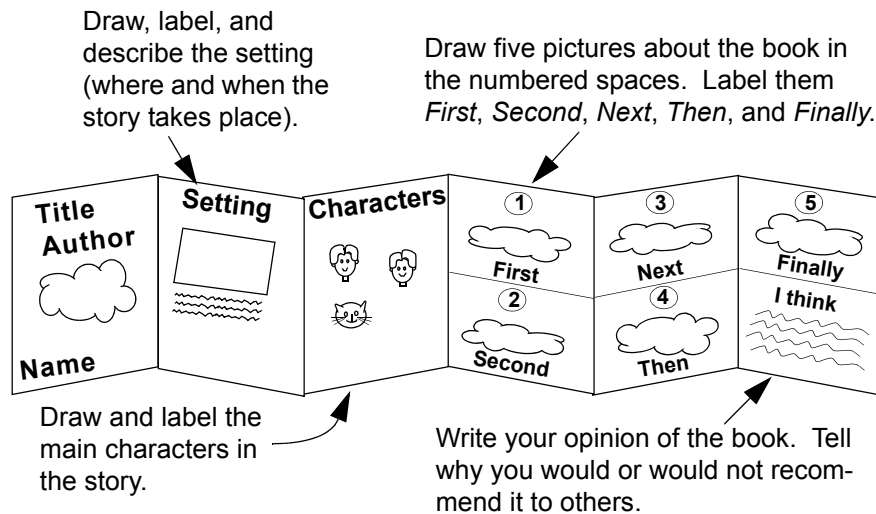

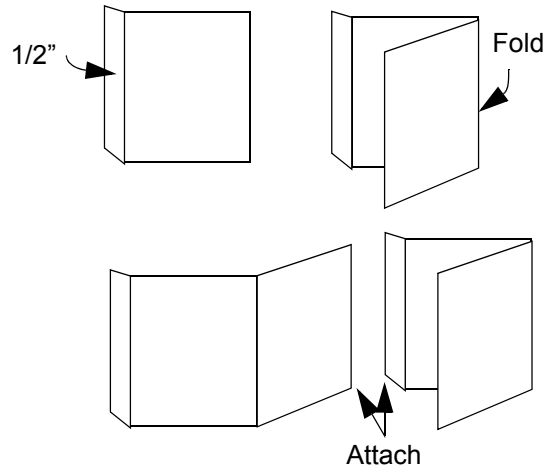

Make a fan-fold display about a book you have read.

You need:

- 3 sheets of 9" x 12" construction paper
- crayons or markers
- glue or paste

Directions:

1. Fold a 1/2" edge along one side of each sheet of paper. Then fold the sheets in half.
2. Attach the three sheets together by gluing the folded edge of one sheet to the straight edge of the next.
3. Complete your fan-fold display as directed below.

Jot down any special instructions from your teacher here.

Brainwork! Use graph paper to make a word search or crossword puzzle using words from the book.
